Join Kellogg & Sovereign Consulting for a day packed with invaluable information to help your district or library secure and better utilize E-Rate funding. Hot topics will include critical changes to the E-Rate program as outlined in the FCC's 6th Report & Order.

E-Rate University offers an in-depth look at the applicant's role in the ever-evolving E-Rate program. This is the one training session you will not want to miss!

**NEW!!** We are offering a Freshmen Orientation, for E-Rate or KSLLC "first year" applicants, which will run concurrently with the Masters Symposium, only at the Ada workshop.

Please review the dates for **E-RATE U** and indicate which session you plan to attend by completing the attached registration.
